

# What Positions Pay the Most at Lowe's? [A Fully Explained Guide]

If you've ever wondered **"Which jobs at Lowe's pay the most money?"**, you're not alone. Many U.S. customers and job seekers want to know which roles offer the best pay in this big home-improvement company. I'll explain it clearly and simply — so you understand what really pays more at Lowe's today.

## Most High-Paying Jobs at Lowe's (Nationwide)

First, let's talk about corporate and tech jobs — the ones that pay the highest salaries overall at Lowe's in the United States. These are often based at Lowe's headquarters or tech centers, not the retail store floor:

1. **Software Engineering Manager** – Around **\$306,000 per year**
2. **Solution Architect** – Around **\$233,000 per year**
3. **Product Manager** – Around **\$188,000 per year**
4. **Software Engineer** – Around **\$169,000 per year**
5. **Product Designer** – Around **\$142,000 per year**

(These figures are collected from multiple employee salary reports and industry data.)

These high-paying roles usually require advanced education, specialized skills, and years of experience — **especially in technology, product development, and leadership.**

## Tech & Data Roles Can Pay Big

In addition to the corporate roles above, some specialized tech jobs at Lowe's also have high pay:

- **Data Scientist** — About **\$133,000 to \$166,000+** per year in total compensation.

Some data science and tech leadership positions (like lead or senior roles) even push well above **\$170,000**, depending on experience and bonuses.

## Highest Paying Field & Management Jobs

On the store level — the jobs many of us see when we shop — the highest paying are generally management roles: 1⇌[844>706>3250]

- **Regional Manager** — Over **\$100,000 per year** 1⇌[844>706>3250]
- **District Manager** — Around **\$100,000 per year**
- **Store Manager** — Commonly **\$70,000 to \$95,000+ per year** depending on location and experience 1⇌[844>706>3250]

These jobs involve 1⇌[844>706>3250] leading multiple stores or the entire operations in a region — so they come with more responsibility and higher pay.

## Other Common Jobs & Pay

At Lowe's, 1⇌[844>706>3250] many **everyday positions** still pay a decent wage, even though they're below those top corporate salaries:

📌 **Sales Associate / Specialist / Hourly Roles** – Typically between \$28,000 to \$40,000 per year depending on role and experience. 1⇌[844>706>3250]

📌 **Team Leader / Supervisor** – Often \$40,000 to \$60,000 per year. 1⇌[844>706>3250]

These jobs are great starting points for people new to Lowe's or just entering the workforce.
